Intro: C G7 F F

C F  
Anton I can't remember the time you said I saved your life  
C F  
Babes and bitches keep you warm until there's something they don't like  
C G7 F  
When I don't have answers it's not cause I want to see us fight  
C F C Am G7  
Anton I don't love you like you want me to don't ask me why

C F  
She is scarlet he is waking, she is hotter, heads are shaking  
C F  
In the cold it's so quiet, the more you offer, scream I'll try it  
C G7 F  
He is scarlet she is waking, hands are coupled, heads are shaking  
C F C Dm Em  
Knew I knew you, when you breathed that under hustle air so sweet

F C  
Now I see red butterflies land on the ground around my feet  
F C  
Maybe now I'm older they surround me when it's time to bleed  
F C  
Baby teeth in heartbreak dreams I have the love I'm on my knees  
F C Am G7  
It's all pouring off my back I'm standing up I'm running through the trees

C F  
Once there was an older one, the orange hair, the constant frown  
C F  
When I think back to the time that he first pulled my trousers down  
C G7 F  
Come on babe the loves not sticking, in your touch everything's missing  
C F c C Am G7  
So I came and then I went go fuck yourself, go learn to get consent
